# HOPE Christian Schools

HOPE Christian Schools is a network of seven college-preparatory schools in Milwaukee and Racine, Wisconsin. Our mission is rooted in the 3 Cs: **Christ. College. Character.**® for all children. With our six K-8 schools and one high school, HOPE serves nearly 2,500 scholars, offering the world-class academics and character formation they need to become inspirations to their families and leaders in their communities.

## What sets HOPE apart?

### **The 3 Cs: Christ. College. Character.**

We share the unconditional love of **Christ** with our scholars and support them in developing a deepening relationship with their Savior. **College** is talked about from early grades on, so that scholars envision themselves as lifelong learners. **Character** formation is critical to academic excellence, because it forms the internal motivation for good decision making and a fulfilling life for Greater Purpose beyond the classroom.

### **Academic growth**

At HOPE, our emphasis is on helping children reach their full potential. We use NWEA MAP\* testing data to drive and adjust our academic instruction throughout the year. These assessments help teachers understand the amount of learning growth a child makes in a given period of time, and progress can be celebrated.

According to our NWEA MAP data, our K-8 schools are growing scholars faster in reading and math than the average school nationally. In addition, our high school scholars demonstrate commitment to and readiness for college. For five consecutive years, 100 percent of HOPE High School seniors have been accepted to college.

\*Northwest Evaluation Association Measures of Academic Progress®. More than 7,000 schools serving 8 million scholars use the NWEA MAP assessment nationally.

### **Learning that lasts**

We combine rigorous academics with a character formation journey for scholars and their teachers. This journey cultivates a strong sense of **Identity** (I am a child of God in Christ!), **Purpose** (How can I best serve God and others?) and **Performance** (How am I growing in my Identity and Purpose in light of Christian virtues?) HOPE scholars form the *internally motivated* character that is necessary to make good decisions both inside and outside the classroom.

### **Strong school culture**

Our schools create that special blend of high expectations with a nurturing Christian environment. HOPE has been recognized as one of the top schools in the country for its strong culture in the book *On Purpose: How Great School Cultures Form Strong Character* by Samuel Casey Carter.

### **The value of a network**

Our staff and scholars benefit from our network of experienced educators who share and learn from one another while incorporating individual strengths. We provide a sustainable career path full of opportunities for our staff, enabling them to reach their full potential while helping scholars reach theirs.

# Have you heard about HOPE?

“To teach in an environment where everybody is striving for excellence is exciting. Even when we have success in the classroom or in the school, nobody rests. Instead, we all ask, ‘How can we do this better?’”

– Liz Hochtritt, Former Teacher and Current Director of Operations, HOPE Prima

“HOPE truly educates the whole child. Our rigorous academic model is a success for our scholars because it is equally sustained by our emphasis on character formation and Christian values.”

– Trena Courey, Former Teacher and Current Middle School Dean of Instruction

“HOPE has the most organized and transformational professional development program I have ever attended.”

– Rebecca Nault, Teacher, HOPE Fortis

“HOPE has taught me responsibility, accountability, grit, hard work, respect, love, trust, friendship, compassion, and – most of all – how to grow in Christ.”

– Adrian Reed, Alumnus, HOPE High

## Grow with **HOPE**

Our team is at the center of a national movement that is working to revolutionize education in the United States. This is an exciting time to join our entrepreneurial team. If you'd like to match your talent with a career at HOPE, please visit [hopeschools.org/careers](https://hopeschools.org/careers) to view our current openings.
