

Daily Memo

Date: Thursday, March 26, 2020

Duration of Closure: HOPE Christian Schools will be closed beginning Monday, March 16, 2020. The duration of this school closure is still to be determined but will be, at minimum, through early April. We are working on plans for when students return and plans if our students do not return before the end of the school year.

Preparations for Virtual Learning:

HOPE teachers are currently being trained to teach and interact with students via a virtual classroom platform. Most of our schools have finished handing out Chromebooks. Please contact your school's principal if you were expecting to pick up a device but did not do so. Devices not picked up by Thursday will be delivered to a student's home address either by school bus or through the mail.

Contacting HOPE Schools:

Even though our schools are closed, and our administrators and teachers are working from home, you may still contact your child's principal or teacher if you have concerns or questions.

HOPE High School Events:

Although we have cancelled Prom, we have not, at this point, made any decisions regarding Senior Signing Day or Graduation. We realize that the dates of those events are growing closer, and we promise to notify you as soon as we have decided whether to cancel those events or not. We appreciate your patience.

Zearn/Lexia/Edgenuity:

Parents, it is very important that your scholars are completing their lessons in the above programs daily. Please ensure that your scholars are following the guidelines below to stay on pace with instruction:

Lexia:

- K5 – 3rd = 12 units per week
- 4th – 5th = 16 units per week

Zearn

- K5-5th grade: Scholars login daily to Zearn accessed through their Clever account. Goal is to complete at least 5 lessons per week

Edgenuity

- 6th – 8th = 115 minutes per week

Please call your child's teacher for further information on Zearn, Lexia, Edgenuity

HOPE Christian Schools value the health and well-being of our scholars. Thank you for allowing us the time to gather the facts on the recent COVID-19 (Coronavirus) and the implications it has on our schools, families and team members.

Blessings,

Jameela Lee | Principal

HOPE Christian School: Semper

3040 W. Capitol Drive, Milwaukee, WI 53216
