

## Daily Memo

**Date:** Wednesday, April 1, 2020

### **Spring Break:**

HOPE Christian Schools will be on Spring Break April 6 – April 10. Students will still be able to access online learning if they choose to do so, but teachers will not be available for consultation.

### **Duration of Closure:**

HOPE Christian Schools will remain closed until further notice.

### **Virtual Learning Begins:**

Today marks the beginning of virtual learning for our students. Please be patient as our students and their teachers become used to teaching and learning in this new setting. We have ordered additional Chromebooks. These new devices arrive a few at a time, are prepared for student use, and then sent to families who need them.

### **Contacting HOPE Schools:**

Even though our schools are closed, and our administrators and teachers are working from home, you may still contact your child's principal or teacher if you have concerns or questions. All calls made to your school's office will be routed to a staff member working off-site who can help you.

### **Board Meeting:**
